### **COVID-19 Plan for Competitors, Judges and Stewards**

Due to COVID-19 the Newcastle All Breeds Dog Training Club have implemented the following precautionary measures for the conduct of trials for everyone's safety.

This trial will be conducted in accordance with the recommendations of DOGS NSW in relation to Obedience and Rally Obedience. All officials, competitors and attendees agree to abide by the recommendations relating to the conduct of the trial and agree to follow the directions of Club Officials in relation to enforcing these requirements.

#### **IMPORTANT:**

- **Do not attend** if you have flu like symptoms (such as coughing, sore throat and fatigue) or been in contact with someone who has or is suspected to have COVID-19
- **Hygiene** – hand sanitisation, coughing etiquette, self distancing (1.5 meters) and avoid unnecessary contact (e.g. hand shakes) Competitors should have their own sanitiser
- **Catalogues** will be posted on Newcastle All Breeds Dog Training Club Website [www.newdog.org.au](http://www.newdog.org.au) and face book page [facebook.com/Newcastle-All-Breeds-Dog-Training-Club](https://facebook.com/Newcastle-All-Breeds-Dog-Training-Club) for competitors to download unless pre ordered
- Competitor numbers will be available at check-in
- All participants are to sanitise prior to entering the trial site before each trial. The trial grounds have a designated entry and exit point.

#### **COMPETITORS' RESPONSIBILITIES**

- Competitors are to stay within the allocated area for each class and bring their own chair, fixed seating will not be available for use on the ground. Gazebos are to be spaced 1.5 meters apart unless walls are used. If unsuccessful you are encouraged to leave the grounds.
- All necessary equipment should be brought to ring in a plastic box which would be placed on a designated table near the ring rope. The equipment in the box should be easily accessible to the steward. All equipment, especially, gloves, scent articles and cloths are clean and aired – this will assist in eliminating any cross contamination. The Judge may not accept unwashed cloths, gloves, or articles. Gloves should be flat in equipment box, so steward can pick up with tongs.
- **Rings** A cone will denote the waiting point for the next competitor to allow movement in and out of the ring at an appropriate distance.
- **Cleaning** Individual sanitiser, wipes and gloves will be provided by the NABDTC and be available at the ring for all personnel.

Soap, sanitiser and paper towels will be available in the toilets.

After each competitor, the judges table and competitor's table will be cleaned.

- **Equipment** Hand sanitiser / gloves must be used by the judge and steward after handling all equipment, including jumps. If gloves are used they must be disposed of after handling any equipment.
- **Trophy presentation** will be performed at the conclusion of each ring so competitors can leave. Prizes and qualifications will be placed in a sealed bag placed on a table for competitor to pick up.

### **Temporary amendment to ANKC Rules**

#### **Collars and Leads**

- The minimum length of lead will be 750 mm and it will be fitted with a quick release fastener. In exercises that require a dog to be off-lead, the lead will be taken off and retained by the handler at the Start Peg.

#### **Heel on Lead (Page 18):**

##### **Description of Exercise for the Community Companion Dog, Novice and Open Classes**

- The Handler and dog must execute a 'Figure Eight' at normal pace in which they must heel at least twice around two Stewards standing approximately four and a half (4.5) metres apart. There must be at least one 'Halt' during this portion of the exercise.
